# 2021 Plant Sciences Symposium

**PLANT SCIENCES DURING A PANDEMICS: HOW PLANT SCIENTISTS CAN HELP?**

This is an annual conference showcasing research across the different areas in plant science.

**The mission is to:**

- Enhance discussions among individuals in academia and in private industry,
- Provide an opportunity for graduate and undergraduate students to share high quality plant science research
- Expose companies to qualified candidates
- Promote collaborations between plant scientists at Ohio State and other universities.

**The event will be held virtually**

**Registration is free but required.**

**Registration and more information at**  
[u.osu.edu/plantsciencesymposium/](http://u.osu.edu/plantsciencesymposium/)

The symposium will feature keynote speakers, poster and oral competitions. There will be awards for graduate and undergraduate students.
